U.S. DISTRICT COURT
DISTRICT OF MASSACHUSETTS

MOTION TO WAIVE APPELLATE FEE

1. I, Andre Bisasor, the Plaintiff in the above named case, hereby request make this motion to waive the fee for appeal. [NB: The issue on appeal is the order (ECF#19) denying Plaintiff's Motion to Stay, and denying Plaintiff's motion for sanctions against the "Defendants" (Harvard Defendants as well as Defendants Pollock, Arora and Harding), and denying Plaintiff's request in the alternative for an extension of time to file an opposition to Defendants' motion to remand, which was entered in this action on March 31, 2016].
2. In support of this motion, I respectfully represent that I cannot afford the cost for the appellate fee. I previously filed a motion to waive filing fee to enter this case in this court and the court granted that motion. I therefore am making this request on the same grounds and ask that this

court extend the same consideration to this motion to waive the appellate fee that was extended regarding the initial motion to waive filing fee.

3. [NB: I don't have counsel representing me on this case and I am not a lawyer. I am de facto operating pro se at this juncture, and so it is my understanding that all my statements and requests should be construed liberally and interpreted in a light most favorable. Also, as a result of my being untrained in the law, some of my statements may be inartfully stated or stated with imprecision. Therefore, it is my understanding that the court should assist me in filling-in any gaps or applying the law correctly where my attempt to do so may fall short of the correct language that would have or should have been used by a trained lawyer.]

WHEREFORE, I hereby humbly request this Honorable Court grant my request and/or other relief that the Court deems just and proper.

Respectfully submitted,

Plaintiff Andre Bisasor
